**NETWORKING & CYBERSECURITY PROFESSIONAL**

Networking & Cybersecurity student currently pursuing a 1-Year Professional Diploma in Networking & Cyber Security at Creative IT Institute. Achieved A+ in Networking (CCNA & MTCNA) and the Certified Ethical Hacking (CEH) module, with Security Operations Center (SOC) training in progress. Completed cybersecurity credentials through Cisco Networking Academy, IBM SkillsBuild, Fortinet Training Institute, OPSWAT Academy, and Red Team Leaders, with foundational practical exposure to networking, penetration testing, vulnerability assessment, and security tools.

## WORK EXPERIENCE

**Creative IT Institute** **06/2026 - 09/2026**
**Cybersecurity • Internship** **Dhaka**

• Gained hands-on practical experience in ethical hacking, vulnerability assessment, and penetration testing methodologies in a controlled environment.
• Utilized industry-standard tools such as Nmap, Metasploit, Burp Suite, and Wireshark to identify network and web application vulnerabilities.
• Assisted in performing security audits, analyzing threat vectors, and documenting security incidents or misconfigurations.
• Applied knowledge of CEH (Certified Ethical Hacking) principles to conduct simulated penetration tests and evaluate security postures.
